

INTRODUCTION TO THE GRE

A Three-Part SkillShop Series! FREE for HSU students.

Thinking about graduate school? Registered to take the Graduate Record Exam (GRE)?

The GRE is a standardized test required by many graduate programs. Your GRE scores can play a role in admissions, fellowships, and financial aid.

In this workshop, you will:

- Focus on test-taking basics and strategies
- Practice and learn from one another
- Connect with others taking the exam to form study groups and share resources

For information about registering for the GRE, visit the Testing Center website: testingcenter.humboldt.edu/
